Declaration of parent or person with legal responsibility Risk Statement

Sailing is by its nature an unpredictable sport and therefore inherently involves an element of risk.

By allowing my child to participate in the event and racing I, the parent/guardian of the child mentioned above agree and acknowledge that:

- a) I am aware of the inherent element of risk involved in the sport and accept responsibility for exposing my child to such inherent risks;
- b) I have satisfied myself that my child has the necessary skill and knowledge to take part in the event and to deal with conditions that may arise.
- c) I am responsible for ensuring that my Child's boat is in good order, equipped and insured (including third party insurance of at least £3 million).
- d) I am responsible for my child's property whether afloat or ashore;
- e) I accept responsibility for any injury, damage or loss to the extent caused by my own actions or omissions or actions or omissions of my child;
- f) When racing the provision of a race management team, patrol boats and other officials and volunteers does not relieve me of my parental/guardianship responsibilities or my child of his/her responsibilities;
- g) When racing the provision of patrol boat cover is limited to such assistance, particularly in extreme weather conditions, as can be practically provided in the circumstances;
- j) When racing my child is bound by the Conditions of Entry, Notice of Race, Sailing Instructions and Racing Rules of Sailing (save as amended by the Notice of Race or Sailing Instructions). I have explained them to my child, who understands and agrees to abide by them.

Medical consent

I give permission to administer any relevant treatment or medication to the above-named participant when or if necessary.

In an emergency situation I authorise the organisers to take my child to hospital and give my full permission for any treatment required to be carried out in accordance with the hospital's diagnosis. I understand that I shall be notified, as soon as possible, of the hospital visit and any treatment given by the hospital.

Conditions of Use of photography or video

In accordance with our child protection policy, CBYC will not arrange for photographs, video or other images of young people to be taken or published without the consent of the parents/guardians and children. We will abide by the Conditions of Use below. If you have any concerns about the way images are being used, you should inform the chief Instructor or General Manager immediately.

1. We will normally only identify a child by reference to the child's first name.
2. We will not use personal details or full names (ie. first name and surname) of any child to accompany a photographic image on video, on our website, in our organisation brochure or any other electronic or printed publications without good reason. 'Good reason' includes using the full name of a child in a newsletter to organisation members if the child has won a trophy or award.
3. We will not include personal email or postal addresses, telephone or mobile numbers on video, on our website, in our organisation brochure or in other electronic or printed publications.
4. We may use group photographs or video with very general labels, such as 'Youth Training'.
5. We will only use images of children who are suitably dressed, to reduce the risk of such images being used inappropriately.
6. Photographs or video may be used for coaching purposes or by officials to illustrate incidents on the water.
7. Commercial sale of any form of media will be limited to the organisers or their official photographers.
