

**DECLARATION IN RECOGNITION OF COVID-19**

This Declaration is to recognize the risks concerning Covid-19. The onus is on the skipper to ensure that this document is available for Test Trace and Protect procedures for 21 days.

We understand that Covid-19 is a virus which is contagious and potentially fatal. We accept that despite procedures put in place to lessen the risks of the virus being transmitted there is still a risk that this can happen. We acknowledge that it is our responsibility to be satisfied that the procedures in place are acceptable. If not so satisfied, we agree to register those concerns at the time with the Race Officer.

We all confirm that we have been symptom-free for the last 14 days, and that we have not been in contact with anyone who has those symptoms.

We am aware of and understand the Wales Government guidance and the measures as regards social distancing, group numbers, hygiene etc. and will keep our knowledge and understanding of these current as this guidance may change. We accept full responsibility for our actions and hygiene and will abide by the measures that the CBYC has adopted to ensure a Covid-19 safe environment.
